Beware that thou forget not the Lord thy God,
in not keeping his commandments, and his
judgments, and his statutes, which I command
thee this day:

Welcome!

"In Times Like These"

It seems there has never been a time when our peace and security can be threatened from so many directions. Will there be another "9-11"? Will there be an economic calamity? Will there be another natural disaster? Will there be some failure of our infrastructure that will cause some temporary breakdown of law and order?

For the child of God, peace and security are not dependent upon any of these outside influences. It's because we see the world through the "eyes of a child" as we depend upon and trust our Heavenly Father to take care of us. Our peace and security is anchored in the all-caring, all-knowing, all-powerful only true God.

If you don't have this "...peace that passeth all understanding...", then we invite you to talk to us or respond at the close of the service to receive God's precious gift of salvation.

If you haven't been given a Visitor's packet, please let one of the ushers know before you leave us today.

Thank you for being such an important part of our fellowship today and please plan on returning.

God Bless and HAPPY NEW YEAR!

Pastor Ben
