## Greetings

We are so blessed to have you with us today as we worship the Lord. It is our prayer that in His presence here today you find "fullness of joy" and your every need supplied in Him. Should you have a special need for prayer or any other area in which we might minister to you, please let us know.

*If you have not yet made the decision to accept the free Gift of God's grace, love, and mercy in the person of Jesus Christ into your heart as Lord and Savior of your life, and believe the Spirit is calling you to do so, please allow us the privilege of sharing with you in prayer and leading you to a profession of faith in Jesus Christ. Just alert any of us, and we will be there with you.*

Our recent experiences in Alaska inspired the message for today.

The awesomeness of God's creative handiwork was on full display in the mountains, glaciers, wildlife and pristine woodlands of this beautiful state. I pray the message communicates the preciousness of having a personal relationship with the Lord Jesus Christ.

*If you haven't been given a Visitor's packet, please let one of the ushers know before you leave us today.*

Thank you for being such an important part of our fellowship today and please plan on returning.

God Bless, and have a blessed week,

Pastor Ben and Brenda
