We Welcome You to Our

Worship This LORD's Day!

Elder/Deacon of The Week:

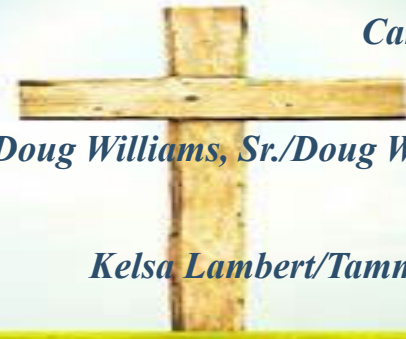

Carroll Fuller

Ushers:

Doug Williams, Sr./Doug Williams, Jr.

Greeters:

Kelsa Lambert/Tammie Condon

Our mission is to encourage and develop those we meet into committed followers of Jesus.

Greetings

We are so blessed to have you with us today as we worship the Lord. It is our prayer that in His presence here today you find "fullness of joy" and your every need supplied in Him. Should you have a special need for prayer or any other area in which we might minister to you, please let us know.

If you have not yet made the decision to accept the free Gift of God's grace, love, and mercy in the person of Jesus Christ into your heart as Lord and Savior of your life, and believe the Spirit is calling you to do so, please allow us the privilege of sharing with you in prayer and leading you to a profession of faith in Jesus Christ. Just alert any of us, and we will be there with you.

Today we are starting a new sermon series. As we are all keenly aware, our societal structure is rapidly deteriorating. The moral and spiritual fabric of our nation is literally being ripped to shreds. Many of our largest cities are on the verge of anarchy.

Interestingly, Jesus Himself warned of this very situation more than two thousand years ago. It was particularly poignant that the words of Christ were aimed, not toward the lost and scripturally ignorant, but at the disciples and follower of His teachings.

I pray you are prepared to be challenged in your walk with Christ and motivated to increase your stride as you obey His command to "Go ye into all the world..."

A special thanks to Marie Sangaline for making a significant contribution to our Women's and Church ministry outreach efforts.

If you haven't been given a Visitor's packet, please let one of the ushers know before you leave us today.

Thank you for being such an important part of our fellowship today and please plan on returning.

God Bless, and have a blessed week,

Pastor Ben and Brenda
