We Welcome You to Our

Worship This LORD's Day!

Elder/Deacon of The Week:

Carroll Fuller

Ushers:

Chad Longerbeam/Matthew Williams

Greeters:

Cathy Albright/Kitty Dietrich

Our mission is to encourage and develop those we meet into committed followers of Jesus.

Greetings,

We are so blessed to have you with us today as we worship the Lord. It is our prayer that in His presence here today you find "fullness of joy" and your every need supplied in Him.

Should you have a special need for prayer or any other area in which we might minister to you, please let us know.

If you have not yet made the decision to accept the free Gift of God's grace, love, and mercy in the person of Jesus Christ into your heart as Lord and Savior of your life, and believe the Spirit is calling you to do so, please allow us the privilege of sharing with you in prayer and leading you to a profession of faith in Jesus Christ. Just alert any of us, and we will be there with you.

Brenda and I are so grateful for your prayers of protection during our time away from you, and are equally grateful to be home! While it was certainly a wonderful time of rest and renewal, it time to be back with our family in Boyce.

A special thanks to Lee Coffelt for providing the spiritual nourishment to the church last Sunday, and for Carol Fuller in covering the Christmas Tree Lighting this past Friday evening.

Several wonderful opportunities to celebrate this holy season are scheduled. We are particularly excited to present "The Miracle of Christmas" as performed by the Sight and Sound production as our Christmas Eve Service. Please use these events to invite someone to share in the celebration of Christ's birth this holiday.

If you are visiting with us today, thank you for being such an important part of our fellowship and please plan on returning. If you did not receive a Visitor's Packet, please notify an usher or stop by our Greeter Table before leaving.

Above all, we pray you receive an encouragement from worshipping with us today.

God Bless,
Pastor Ben
