We Welcome You to Our

Worship This LORD's Day!

Elder/Deacon of The Week:

Doug Williams

Ushers:

Carroll Fuller and Doug Williams, Sr.

Greeters:

Carol Coffelt and Kelsa Lambert

Welcome!

We are so blessed to have you with us today as we worship the Lord. It is our prayer that in His presence here today you find "fullness of joy" and your every need supplied in Him.

Should you have a special need for prayer or any other area in which we might minister to you, please let us know.

If you have not yet made the decision to accept the free Gift of God's grace, love, and mercy in the person of Jesus Christ into your heart as Lord and Savior of your life, and believe the Spirit is calling you to do so, please allow us the privilege of sharing with you in prayer and leading you to a profession of faith in Jesus Christ. Just alert any of us, and we will be there with you.

Thanks to all those who helped relocate our service last Sunday to our fellowship hall due to the furnace not working. We have since had that repaired and it is so wonderful to gather in our sanctuary together once again.

This morning we continue our four-week study entitled, "Cadence". This morning's message will focus specifically on the "personhood" of our walk with Christ and its emphasis on the practical importance of being in rhythm with Him. I pray that you are grasping the relevance and significance of these teachings as we enter a New Year of service to our Lord.

If you are visiting with us today, thank you for being such an important part of our fellowship and please plan on returning. Above all, we pray you receive an encouragement from worshipping with us today.

Once again, our nation's collective heart is broken due to the terrible catastrophe of the wildfires in California. We are in special emphasis of prayer for those at least eleven families who lost loved ones.

Please continue to hold up in prayer all those grieving and healing in the wake of the New Orleans terrorist attack.

*God Bless,
Pastor Ben*
