Ushers:

Greeters:

Welcome!

We are so blessed to have you with us today as we worship the Lord. It is our prayer that in His presence here today you find "fullness of joy" and your every need supplied in Him.

Should you have a special need for prayer or any other area in which we might minister to you, please let us know.

*If you have not yet made the decision to accept the free Gift of God's grace, love, and mercy in the person of Jesus Christ into your heart as Lord and Savior of your life, and believe the Spirit is calling you to do so, please allow us the privilege of sharing with you in prayer and leading you to a profession of faith in Jesus Christ. Just alert any of us, and we will be there with you.*

Isn't it wonderful to be back together once again in God's house! The old adage, "Absence makes the heart grow fonder" has never been more true than this morning. While we have certainly not been absent from God, for His presence is always in and with us, we have been absent from one another in fellowship and worshipping together as His family.

Speaking of which, morning's message will focus specifically on fellowship and relationships as we continue our four-week study entitled, "Cadence".

If you are visiting with us today, thank you for being such an important part of our fellowship and please plan on returning. Above all, we pray you receive an encouragement from worshipping with us today.

Please continue to be in earnest and urgent prayer for our precious Tom and Liz Lewis. They are so appreciative for all of the cards, texts, and other expressions of encouragement. Most of all, however, is prayer that they need the most.

Also continue to be in special prayer for those in North Carolina and California as they endeavor to recover.

Please note that we have discontinued the "Through the Bible" weekly reading schedule. If you have been using this and would like to see it resumed, please let me know.

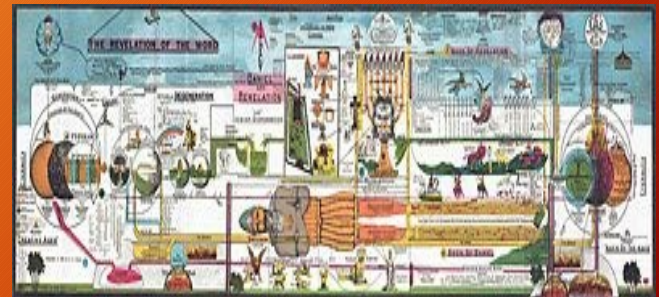

God Bless,  
Pastor Ben
