THANK YOU
VETERANS

HONORING ALL WHO SERVED • 11TH NOVEMBER • VETERANS DAY

*Most Loving
Heavenly Father,*

*We come today on
this occasion set
aside to honor
those who, both
now and in the
past, have worn upon their body the uniform of the branch of
military service which represented their dedication, their
commitment and their devotion to a cause greater than
themselves.*

*We come together today to ask you to heal those same bodies
that have suffered the wounds of war. Wounds that have left
visible scars and likewise we ask also for a healing of those
wounds borne within the deepest recesses of the soul. Wounds
that no physician can see, but that are within the reach of your
healing touch.*

*We come together today to thank you for their lives, to thank
them for being the best of this nation's character. Those who
have risked their lives for the cause of freedom and who have
far too often felt unappreciated for their great sacrifice. Please
bless them, God, for it is in the spirit of Your Son's greatest
sacrifice these ones so courageous have patterned their call to
serve others.*

*We come together today to ask you to nurture within each of us
the same sense of loyalty, honor and duty that would call us to
abandon our selfishness and put another's needs above our
own.*

*We come together today, Almighty God, asking that you enable
each of us to honor you in the same way these sons and
daughters of these United States of America have honored you.*

*We come together today to pray these things in the Name of
The Father, In the Name of the Son, and in the Name of the
Holy Spirit.*

Amen.
