We Welcome You to Our Worship This

LORD's Day!

Our "Pride" Flags!

Welcome!

We are so blessed to have you with us today as we worship the Lord. It is our prayer that in His presence here today you find "fullness of joy" and your every need supplied in Him.

Should you have a special need for prayer or any other area in which we might minister to you, please let us know.

If you have not yet made the decision to accept the free Gift of God's grace, love, and mercy in the person of Jesus Christ into your heart as Lord and Savior of your life, and believe the Spirit is calling you to do so, please allow us the privilege of sharing with you in prayer and leading you to a profession of faith in Jesus Christ. Just alert any of us, and we will be there with you.

This morning we conclude our sermon series, "Chameleon". In this study, we will explore the importance of each of our responsibility to "Imitate Christ". This is the ONLY imitation we should be striving for as Christians. This series has sought to challenge any notion that we are not called to see how much we can be like the world and still call ourselves Christians, and therefore "blend-in" like a spiritual chameleon, but to, in every way possible, "stand out" blatantly and obviously as children of the living God. As "salt and light" and a "city that is set on a hill" we are to live in sharp contrast to the world's fads and fancies.

God bless you who have made a special sacrifice contribution to the new Air Conditioner project. We are already over 86% to our goal!

It's "SHOEBOX TIME AGAIN!" This year is especially poignant in light of not only the terrible suffering of children in Ukraine, but equally devastating the precious little ones impacted so severely by the wildfires in Hawaii. I am asking for us to make a very special effort this year to make this Christmas as special as it can be for these children.

Thank you for being such an important part of our fellowship today and please plan on returning.

*God Bless,
Pastor Ben*
